NOTIFICATION

Applications are invited from eligible candidates for the post of “**Project Technical Support-II (Field Worker)**” on a contract basis for the Project Entitled “School-Based Healthy Heart Intervention for Early Lipid Disorders Among Adolescents (SHIELD-A): Addressing Barriers and Contextualizing Intervention for Effective Implementation in Resource-Limited Settings” funded by **ICMR** under **Dr. Senthil Amudhan**, Professor & Head of Epidemiology, Principal Investigator, NIMHANS, Bengaluru - 560 029.

Name of the post:	Project Technical Support-II (Field Worker)
No. of post:	02 (Two)
Essential Qualification:	Postgraduate degree in relevant subject/field which include Public Health, Community Health, Nursing, Allied Health Sciences, Social Work, or any other relevant health or social science discipline. Or Three Years Graduate degree in relevant subject / field + two years' experience in relevant subject/field which include Public Health, Community Health, Nursing, Allied Health Sciences, Social Work, or any other relevant health or social science discipline. Or 12th in science + Diploma (MLT/ DMLT) + Five Years' Experience in biomedical or public health research laboratories. Or Additional higher qualification (Master's degree) acquired beyond the minimum prescribed educational qualification (Bachelor's degree) shall be treated at par with the required duration of experience.
Desirable skills/experience:	Fluency in writing and typing Kannada. Experience in field-based data collection, participant recruitment, follow-up, and administration of research questionnaires in community or school settings. Experience in anthropometric measurements (e.g., height, weight, waist circumference, blood pressure, and other study-specific measurements) for boys and electronic data capture using tablets/mobile applications. Experience in coordinating school-based field activities, interacting with teachers, parents, and adolescents, and maintaining accurate field documentation and study records. Preferably Male candidates, as it involves anthropometric measurement for boys.
Nature of work:	Undertake field-based activities including participant recruitment, baseline and follow-up assessments, anthropometric measurements, surveys, and data collection in schools as per the study protocols and quality assurance procedures; assist in intervention delivery, participant follow-up, and community/school engagement activities; maintain accurate field records, coordinate with the project team for timely completion of project milestones and reporting, and provide logistical support during training programmes, workshops, validation exercises, and other project-related activities as assigned by the Team Leader.
Emoluments/Salary:	Rs. 20,000/- + 30% HRA
Maximum Age Limit:	30 years
Duration of Project:	3 Years
Duration of Post:	Initial Appointment will be made for a period of three months and renewable based on performance of the candidate
Application Mode:	shieldanimhans2025@gmail.com

Eligible candidates who fulfil the above criteria may apply through the link/email provided in the notification. Applicants must submit complete documentary proof for all essential qualifications, including resume, proof of date of birth, and educational certificates.

Applications submitted without complete documentary proof will not be considered. The last date for receipt of applications is **14 days from the date of notification**. Late applications will not be entertained.

Note:

- Shortlisted candidates will be informed **by email** and will receive a **call letter** for the written test/interview.
- Candidates are required to report **30 minutes before** the scheduled time for the interview
