NOTIFICATION

Applications are invited from eligible candidates for the post of “**Senior Project Manager**” on a contract basis for the Project Entitled “Secondary Cervical Cancer Prevention in Vulnerable Women with HIV and HPV Co-Infection in India” funded by NIH-USA, under Dr. Veena A. Satyanarayana, Professor of Clinical Psychology & Principal Investigator, NIMHANS, Bengaluru – 560029.

Name of the post:	Senior Project Manager
No. of post:	1 (One)
Essential Qualification:	• Education: Bachelor's/Master's degree in Finance, Accounting, Business Administration, Public Health Administration, or a related field. • Experience: Minimum 5 years of proven experience in financial management, complex grant budgeting, financial reporting, and audit preparation. Strong expertise in grant financial compliance and reporting, ensuring all financial transactions are documented, audit-ready, and fully aligned with applicable funder requirements. Strong expertise in HR administration support, staffing coordination, and team management, including a demonstrated ability to identify and proactively address staffing concerns before they escalate. • Management: Multiple years of experience in HR administrative support, staffing coordination, and team management. • Languages: Full professional fluency in both English and Kannada.
Desirable Qualification:	• Advanced Credentials: MBA or equivalent postgraduate qualification • Sector Experience: Prior experience managing multi-site research, public health studies, or U.S./international development-funded programs, particularly those involving complex grant compliance environments. • Technical Skills: Strong project management skills to balance multiple competing priorities as the study scales in scope and complexity.
Key responsibility:	• Financial Management & Budgeting: Oversee complex grant budgets with a high degree of rigor and technical precision. Lead financial forecasting, expenditure tracking, and reporting processes. Ensure all transactions are accurately documented and consistently maintained in a state of audit readiness. Proactively ensure full alignment with regulatory practices, institutional policies and statutory requirements. • Audit & Compliance: Ensure continuous audit readiness by maintaining thorough, compliant financial documentation. Serve as administrative resource for the MPIs. • Administrative Operations: Develop, implement, and optimize administrative systems, workflows, and Standard Operating Procedures (SOPs) to support the growing operational needs of the study • HR Support & Team Coordination: Provide operational HR support, including staffing coordination, onboarding support, and team management functions. Identify, address, and resolve staffing concerns early, before escalation, fostering a stable, cohesive, and productive team environment. • Liaison & Communication: Act as a central communication bridge between MPIs, program coordinators, and program staff to maintain a stable and positive work environment, while ensuring that the MPIs are kept informed on all matters requiring their attention and decision-making.
